Re: Support of SB 803 - Economic Development – Western Maryland Economic Future Investment Board and Fund – Establishment

On behalf of our member families, I submit this written testimony in support of SB 803, legislation that establishes the Western Maryland Economic Future Investment Board. The bill establishes the Western Maryland Economic Future Investment Fund as a special, nonlapsing fund to provide grant funding to capital infrastructure projects and business development projects that improve the economic conditions in the region. The amount of the fund would be \$20,000,000. The bill requires the Tri-County Council for Western Maryland to administer the Fund.

MDFB Policy: We support the State of Maryland increasing funding to the Tri-County Councils for the purpose of including and funding agricultural and natural resources development in their mission.

MARYLAND FARM BUREAU SUPPORTS SB 803 AND ENCOURAGES A FAVORABLE REPORT.
